LSP SUPPORT MIAMI BEACH SENIOR CENTER, AND IN-HOME RESPITE CARE

The Miami Beach Senior Center (MBSC), operated by Jewish Community Services of South Florida, Inc., has received State funding since 2002 via the LSP (Local Service Provider Program), totaling \$161,872 in non recurring funds for 2010-11. The funds are used to provide 50 clients with activities within the Adult Day Care Center which include nursing, personal care, educational, social, health/wellness and recreational opportunities to a multi-cultural population of older adults. Additional services include transportation and nutritional meals intended to forestall more costly interventions such as hospitalizations and nursing home placements. In addition, prior LSP transportation funding of \$23,234 will be added to the funding requested for the MBSC.

Nearly \$36,000 in LSP funds has been provided to JCS to support caregivers with the in-home respite assistance they need to care for their loved ones as they 'age in place'. The total LSP support required to continue these vital services is \$221,070.

Any support of these important programs would be greatly appreciated. We are requesting your support to continue LSP funding and that it be included in your legislative advocacy agenda.

Thank you!
